

HOW IT WORKS

Enhanced Shipment Visibility

Your peace of mind is important to us. That's why we've enhanced our tracking experience to put all the shipment details you need right at your fingertips.

1. An **Estimated Delivery Date** for all Standard LTL shipments
2. A five business day **Estimated Delivery Date range** for all Final Mile home deliveries, due to the LTL industry's current capacity constraints
3. An updated **Delivery Date** and **Estimated Time of Arrival** once your shipment is out for delivery

For all shipments, including standard LTL and Final Mile home delivery, our improved tracking experience offers:

4. A visual **progress bar** that displays important shipment milestones in real time
5. Robust transit updates once your shipment is out for delivery, to include **"Stops Away"** information and an **"Estimated Time of Arrival"**
6. The option to **view and download** your complete shipment history

Want to make sure you're always receiving the most detailed shipment tracking information available? [Sign up](#) for a free My Estes account to get access to additional information and features when using our online tools!

At Estes, we make freight shipping simple so you can focus on what matters most.
